**Calamar Development Retains e3communications for  
Public and Government Affairs Services**

**BUFFALO, NEW YORK** – e3communications today announced that the agency has been retained by Calamar Development for public and government affairs services.

Calamar provides full service specialization for companies that prefer to build their own facility. Their services include site selection, municipal approvals, financing, space planning and design, energy management and construction, and property management.

With offices in Buffalo and Albany, e3communications is a full service public relations and public affairs agency that provides clients with various public relations services, including issues management, media training, crisis communications as well as government affairs services. For more information please visit [www.e3communications.com](http://www.e3communications.com).
