**Buffalo MRI Retains e3communications for  
Public Relations Services**

**BUFFALO, NEW YORK** – e3communications today announced that the agency has been retained by Buffalo MRI for public relations services.

Buffalo MRI, located in Amherst's Snyder Place Plaza, is the only MRI facility in Western New York that has both a high field open MRI and two 3T MRI systems at one location, allowing for the most advanced MRI imaging in the industry. In addition, Buffalo MRI offers CT, Ultrasound, X-ray and Fluoroscopy services.

With offices in Buffalo and Albany, e3communications is a full service public relations and public affairs agency that provides clients with various public relations services, including issues management, media training, crisis communications as well as government affairs services. For more information please visit [www.e3communications.com](http://www.e3communications.com).
