### **EI Team Retains e3communications for Public Relations Services**

**BUFFALO, NEW YORK** – e3communications today announced that the agency has been retained by EI Team for public relations services to publicize and promote ground breaking of the Kensington Towers on Buffalo's east side.

EI Team is a professional architectural and engineering firm that provides architecture, engineering, construction and planning services to their clients. They strive to be the leader in the performance of professional architectural and engineering services. They are a full service agency, providing their clients with a single source of responsibility by integrating structural, electrical, HVAC, plumbing and fire protection with architecture.

With offices in Buffalo and Albany, e3communications is a full service public relations and public affairs agency that provides clients with various public relations services, including issues management, media training, crisis communications as well as government affairs services. For more information please visit [www.e3communications.com](http://www.e3communications.com).
