Graphic Controls Retains e3communications for Government Affairs Services

BUFFALO, NEW YORK – e3communications today announced that the agency has been retained by Graphic Controls for government affairs services.

Graphic Controls produces quality precision charts and marking systems for recording instruments. Their product lines include ink jet fluids and equipment, point-of-sale papers, tickets, PVC cards and security products. Graphic Controls ships their products to over 45,000 customers in North America and over 80 countries worldwide.

With offices in Buffalo and Albany, e3communications is a full service public relations and public affairs agency that provides clients with various public relations services, including issues management, media training, crisis communications as well as government affairs services. For more information please visit www.e3communications.com.
