COMMUNITY HEALTH FOUNDATION OF WESTERN & CENTRAL NEW YORK RETAINS e3COMMUNICATIONS FOR PUBLIC RELATIONS SERVICES

BUFFALO, NEW YORK – e3communications has been retained as public relations to the Community Health Foundation of Western & Central New York to publicize and promote the organization’s various health care initiatives and studies throughout a 15 county region.

The Community Health Foundation of Western & Central New York is an independent private foundation, which invests in, and partners with, organizations and communities in innovative ways to improve health and healthcare with a specific focus on frail elders and children from communities of poverty. The Foundation has offices in Buffalo and Syracuse.

With offices in Buffalo and Albany, e3communications is a full service public relations and public affairs agency that provides clients with various public relations services, including issues management, media training, crisis communications as well as government affairs services. For more information please visit www.e3communications.com.
